WALT DISNEY CHRISTMAS PARADE — It's a Merry Christmas from your favorite Disney folk and a festive poster to add to the holiday spirit.

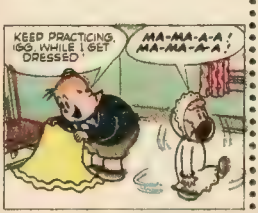
FAMOUS TRIO OF CHILLERS TO DELIGHT MYSTERY FANS NEXT MONTH

BRAND NEW

There's more mystery afoot, or maybe we should say a-paw. For the hero of this comedy-mystery series is **Scooby Doo**, the cowardly Great Dane who is mascot of Mystery, Inc. in the new Hanna-Barbera SCOOBY DOO, WHERE ARE YOU?

THE DOLL PARTY

Tubby and Iggy crash Lulu's party because a prize is being given for the best doll — and Iggy turns out to be quite a doll. It's more LITTLE LULU fun next month.



© MARJORIE HENDERSON BUELL

FLIPPING HIS WIG

When Uncle Scrooge's planeload of wigs crashes, the evil Mr. Scalpnick gets a real wiggy idea to the tune of a maximajillion dollars — Uncle Scrooge's maximajillion, that is. Read the hair-raising **Great Wig Mystery** in the next Walt Disney UNCLE SCROOGE.

BORIS KARLOFF TALES OF MYSTERY

A ship is drawn into the path of a monstrous "thing" spawned from seaweed. Its tentacles turn the sea into a ships' graveyard — but it has its own unearthly reason for doing so. Don't miss **Creature of the Sargasso Sea!**

THE TWILIGHT ZONE

You've heard of hurricanes with names like Alice, Betsy, Donna. Well, there's a hurricane named Flora who may be different from all the rest. You see, she's fallen in love . . . and that spells trouble for a man named Harry. **Voice in the Wind** — one of the great stories from The Twilight Zone.

RIPLEY'S BELIEVE IT OR NOT!

It's **True Ghost Stories** next month with "The Spectral Warriors," "The Ghost's Vendetta" and other spine-tinglers. Weird, eerie, authentic -- and ghostly!

TARZAN AND THE FORBIDDEN CITY

This is the authentic adaptation of Edgar Rice Burroughs' famous story. Watch for it next month in the ever-popular TARZAN OF THE APES.

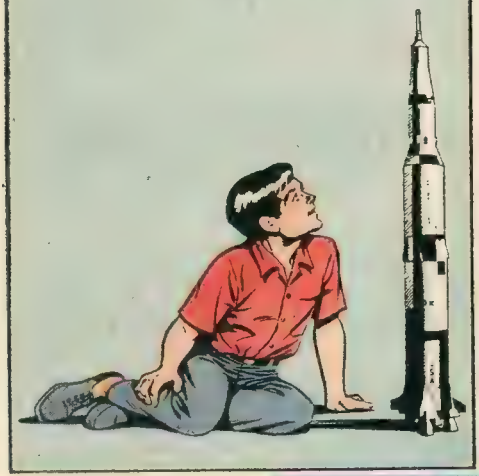
MOONLIGHTER



Build it yourself—Revell's Model-of-the-Month for November, the Saturn V Apollo.

World history was made when man set foot on the moon. Prior to July 20, a team of Revell design-engineers worked for over a year to make sure every detail of our Saturn V is precisely correct. You build all eight stages so they fit together and can be separated. Demonstrate to your friends every step of the wondrous mission. From three-stage launching to moon orbiting and landing. From crucial redocking to earth splashdown. The command module has three astronauts inside; lunar module comes complete with moon base. The 4-foot-high Saturn kit is history's most fascinating one-man voyage or group project for science classes. Under $12 wherever toys or hobbies are sold.

NEW "BUFFALO BILL SCOUT"

B-B Gun...by Daisy®

That's what they call the new Model 3030 B-B Gun, "Spittin' Image" of a fine presentation-grade carbine. It features simulated silver receiver, butt plate and saddle ring like the famed Centennial models. Plus easy 2-way lever action. 40-shot side loading magazine. And positive safety; you cock the hammer before shooting. So authentic, it even makes a handsome room decoration on your gun rack!

SPECIAL "WESTERN COLLECTION" OFFER!

Four 14" x 11" full-color prints of paintings by Fred Harman, the former cowhand who's become one of the most famous artists of the West.

☐ Enclosed is $1 for Western prints. ☐ Send DAISY catalog *free*.
